Functional Sign Language 1
Online Course
Summer 2020

This course is designed to provide sign language vocabulary skills to parents and professionals working with individuals with disabilities who struggle with expressive and receptive communication. Participants will explore a variety of vocabulary that will promote clearer communication within the home, classroom, work, or community environment.

What’s included?
◊ Core and fringe vocabulary
◊ Whole and small group learning sessions
◊ Signs to use with young children or anyone who might benefit from additional ways to communicate
◊ Independent practice opportunities provided

June 2nd- August 14th
Tuesdays
6:00-7:30 PM CST

Cost:
$150 course registration fee
